Mr. A. B. Salem *(Mattancheri):* Are these terminal charges collected at all the stations or only at terminals?

Rao Sahib K. Achyuta Menon *(Secretary to Government):* I said at Ernakulam and the Harbour stations they do not keep separate returns. When we asked them they said, to keep separate returns would mean the establishment of a separate staff and that the Cochin Government should bear the cost.

Mr. A. B. Salem *(Mattancheri):* Who gets the terminal charges?

Rao Sahib K. Achyuta Menon *(Secretary to Government):* The Company and the Harbour.

Mr. A. B. Salem *(Mattancheri):* So, we don't get it?

Rao Sahib K. Achyuta Menon *(Secretary to Government):* We apportion it afterwards.

Mr. A. B. Salem *(Mattancheri):* Does the whole of the terminal charges go to the common pool and later on apportioned, or are we getting the whole of it?

Rao Sahib K. Achyuta Menon *(Secretary to Government):* They are not separately apportioned, so far as I know.

Mr. A. B. Salem *(Mattancheri):* My case is that we should get the whole of these terminal charges and that it should not be amalgamated along with the railway traffic income. That was the object of my question.

Mr. President: That is not the question.
